

Secure · Enhance · Protect

HoloMag™

Make better use of the space on your card
Place YOUR BRAND NAME in priority position

HoloMag is pre-approved by MasterCard

- » More space for your brand/institution name
- » Use the MasterCard approved option of adding HoloMag as the required security feature and leave more space for card design and bank branding
- » HoloMag unique visual technology delivers superior graphics and instant recognition

- Colorful and contrasting colors
- Overt, covert and forensic security embedded

OpSec Security provides unique security technology to protect your financial transactions.
